## 7. Board Member Updates

- a. CZ: Finally got into listserv, gmail, and wordpress; had some technical problems, but on top of it now! Should start getting things forwarded to other board members starting today. Got email regarding the website platform, cannot start that until next week; thinking of talking to different groups, getting demos, then having a demo to present to the board.
  - i. Questions: went into the listserv, should CZ be moderating this? Anyone on the board can approve listserv emails. TT: anyone on board can, but NR and TT have been approving many of them. Going forwards, would not hurt to check occasionally; will set up reminder for daily checks
  - ii. Spam emails come in occasionally, can often just delete those
- b. SM: Talking to Brianna about the survey, will be taking over next week as no longer her job, but other than that no real updates
- c. EL: Lots of things happening at U of A, so busy. Treasurer stuff, bit behind on some emails, but payment for FBM should now be working so can start chasing people down about that,

no other real updates though. Looking forward to holidays! Starting thinking about getting budget ready for AGM in January

- d. TT: U of C busy, but starting to wind down; some bigger conduct cases, but seeing how that will go. For president role, have some things wanting to get work on to be set up for the new year. Finishing up course in grad school, got an A+ on assignment! Looking forward to time off from work
- e. CG: Secretary stuff as per usual (scheduling meetings, typing things, etc). Finished classes for the semester, should now have more time to dedicate to other things on plate.

**8. Motion to adjourn CZ, second CG, no descent, meeting adjourned. Happy holidays all!**
